Optium Museum Acrylic

McCOOK, ILLINOIS (February 19, 2010) – Due to overwhelming demand, Tru Vue® is excited to announce the addition of 4.5mm 72"x96" Optium® Museum Acrylic to our product line.

Tru Vue Optium Museum Acrylic combines the best qualities of anti-reflective glass and UV filtering acrylic in one product. Optium Museum Acrylic provides the same amazing clarity and conservation grade 99% UV protection of Tru Vue Museum Glass®, but Optium Museum Acrylic offers anti-static protection, is 50% lighter than glass as well as shatter resistant, making it the perfect choice for oversized framing projects.

4.5mm 72"x96" Optium Museum Acrylic is available in full sheets or can be cut-to-size. To place an order, contact your local distributor. For additional information visit www.tru-vue.com or call the Framers' Helpline at 800-282-8788.

###

Tru Vue is a manufacturer of high performance glazing products for the custom picture framing and museum markets. Tru Vue is a leader in both UV protection, as well as anti-reflective and specialty glazing products for these markets. The company is located in McCook, Illinois and Faribault, Minnesota and is a subsidiary of Apogee Enterprises, Inc. (Nasdaq: APOG). For more information on Tru Vue, visit the company website at www.tru-vue.com.
