Museum Glass[®] Feeds America will provide over 100,000 meals to those struggling with hunger

McCOOK, ILLINOIS (March 1, 2010) – The Museum Glass[®] Feeds America promotion ended February 28, 2010, but there is still time for consumers to mail in their Scratch, Give and Win Cards and make a difference. All cards must be received by Tru Vue on or before March 31, 2010.

By participating in the Museum Glass Feeds America promotion, framers and their customers are collectively making a difference in the fight against hunger. So far the promotion has generated over 100,000 meals for individuals and families in need.

On May 31, 2010, Tru Vue will make a donation to Feeding America (www.feedingamerica.org), the nation's largest domestic hunger-relief charity, on behalf of framers and their customers who participated in the Museum Glass Feeds America promotion.
