**Museum Glass<sup>®</sup> Feeds America Promotion**

McCOOK, ILLINOIS (July 31, 2009) - Tru Vue<sup>®</sup> is excited to announce its newest Museum Glass<sup>®</sup> promotion for framers, Museum Glass Feeds America. This in-store consumer promotion is designed to make a difference on behalf of the 1 in 8 Americans now struggling with hunger.

By participating, framers and their customers will help generate up to \$25,000 in donations to Feeding America ([www.feedingamerica.org](http://www.feedingamerica.org)), the nation's largest domestic hunger-relief charity that secures food and funding for local food banks in every state. This equates to 175,000 meals to individuals and families in need.

The Museum Glass Feeds America promotion makes it easy for framers and consumers to collectively make a difference.
